About the Program

Mission: To engage college students, stakeholders and experts in turtle conservation efforts and raise awareness about marine biodiversity preservation.

Why Turtle Conservation? Turtles play a crucial role in maintaining marine ecosystems. Rising threats like habitat loss, climate change, and pollution make conservation essential.

Document Screening

Life of Sea Turtles and their role in Marine Ecosystem.

Competitions

LIFE OF SEA TURTLE

1. **Thespianism for Chelonia: Life of Sea Turtle.**
2. **Quiz: Marine Turtle Action Plan (Protection, Conservation, Prevention Act, Laws and Ethics.)**
